World Praise Hails Russ Moon Rocket

Feat Bolsters Nikita's Prestige On Visit Eve

MOSCOW (UPI) — Premier Nikita Khrushchev will fly to Washington tomorrow amid worldwide acclaim for the Soviet feat of landing a rocket on the moon.

Congratulations streamed in today from the six continents for this development in the conquest of space. (More stories and picture on page 4.)

American scientists were among the first to hail the handling of the 860-pound lunar probe as a remarkable job of scientific reckoning and marksmanship.

The official reaction of the U.S. National Aeronautics and Space Administration was summed up in Washington by its deputy administrator, Dr. Hugh Dryden.

"We have followed with interest the travel of the Soviet lunar probe to its impact with the moon," Dryden said.

"We wish to congratulate our fellow scientists and engineers on their success in this forward step in the exploration of space.

"We hope that the scientific data obtained in this flight will soon be available for study by the scientists of all countries."

SEE DUST CLOUD

The Soviet news agency Tass picked up a British story quoting Heinz Kaminsky, director of the Bochum Observatory in the Ruhr, as saying the feat could be compared to a rifleman hitting the eye of a fly at a distance of six miles.

Radio Budapest said Hungarian scientists spotted a dust cloud raised on the moon when the rocket landed at 12:02 a.m.

A black ring was visible for more than an hour after the probe's radio signals stopped impact, it said, and the scientists expressed belief this outlined a new crater cut into the sand and rock of the moon.

NO DOUBT

From Britain's major space tracking station, Prof. A. J. Lovell, director of the huge radio telescope at Jodrell Bank, said: "At the moment of impact the telescope was accurately positioned in the direction of the moon and there is no reason to doubt that the Lunik capsule made impact on the lunar surface."

A leading Soviet astronomer said today the next step in the preparation for landing people on the moon is to set up a robot observatory there.

The Russians were clearly delighted about the success of this effort in the enhancement of Soviet prestige as Khrushchev prepared to start his exchange of visits with President Eisenhower.

COST OF BONDS
Taxpayers will be expected to pay an average of an additional seven cents per each \$100 in assessed valuation over a 22-year period if the bonds are passed, but the tax rate is

Light Rain Brings Rainbow In Marin

A light drizzle fell on the slopes of Mt. Tamalpais shortly before 8 a.m. today, making a rainbow visible from several points in Marin County.

The rainfall was measured at one one-hundredth of an inch in Muir Woods. It left wet streets in Mill Valley and on the Larkspur hillside. A few raindrops fell as far east as Pt. San Quen-

The Weather Bureau said there was a chance of a few scattered light showers today but fair weather should return tomorrow.

DIPSEA CHAMP HURT

Although he suffered a painfully twisted ankle a half-mile from the finish line, Fernando Leon of Tucson, Ariz., won the Dipsea Handicap Race's best time trophy for the second straight year in yesterday's 49th running of the seven-mile Mill Valley to Stinson Beach course. Applying ice to Leon's swollen ankle is young John Groth while admiring the trophy is Leon's aunt, Mrs. Warren Mistron, wife of Larkspur's superintendent of streets. Although Leon had best time of 49 minutes, 55 seconds, first to finish the handicap event was James Imperiale of Mill Valley. Details on page 10. (Jim Kean photo).

Ike, Aides Confer On Nikita's Visit

WASHINGTON (UPI) — President Eisenhower and other top government officials today discussed all aspects of the historic talks Eisenhower will start tomorrow with Soviet Premier Nikita Khrushchev.

The President conferred for 75 minutes at the White House with Secretary of State Christian A. Herter, Secretary of the Treasury Robert B. Anderson and Llewellyn Thompson, U.S. ambassador to the Soviet Union.

OTHERS SIT IN

Several other State Department officials also sat in.

The group explored strategy for the Eisenhower talks with the Kremlin leader.

Eisenhower and Khrushchev are scheduled to meet at the White House tomorrow afternoon for their first discussion, for which 90 minutes has been set aside.

That will be shortly after the Communist chieftain arrives, packing the prestige of the Soviet's new scientific achievement, the weekend bullethead shot to the moon.

ROUTINE SESSION

In response to question, White House press secretary James C. Hagerty described today's meeting as a general type of session "that the President and the people in the government have prior to the visit of any foreign official."

Hagerty added that the discussion "included all aspects of the upcoming visit, not only procedural but topics to be discussed by our side."

While American scientists congratulated the U.S.S.R. on its apparent spectacular success in landing a space capsule on the moon, official Washington seemed unperturbed. The space shot was clearly timed to glorify Soviet scientific and industrial prowess for Khrushchev on the eve of his American trip.

Meanwhile, members of the Senate Foreign Relations Committee were working on their own preparations for entertain-

ing Khrushchev at an hour-long tea party Wednesday afternoon. They want to find out "what kind of man he is," said Chairman J. William Fulbright (D-Ark.), and they want to ask him some tough questions about Soviet behavior in world affairs.

Eisenhower himself is expected to tell his visitor that the use or threat of force around the boundaries of the Communist bloc—most recently against India and Laos—is the major cause of tension and war fears in the world.

QUESTION FOR NIKITA? MAIL IT TO THE I-J

Have you one specific question you would like to ask Soviet Premier Nikita Khrushchev when he comes to San Francisco next week-end?

A member of the Independent-Journal staff expects to be present at any press conference or other newsworthy event in which the Soviet premier participates.

If you will write down one specific question and mail it to the Independent-Journal before Thursday, perhaps the I-J reporter can ask Khrushchev your question.

Terra Linda Recreation Bond Vote Tomorrow

Terra Linda residents will vote tomorrow on a \$350,000 bond issue to provide recreational facilities for their community.

Polls will be open at the Terra Linda fire station from 7 a.m. to 7 p.m., County Clerk George S. Jones announced.

The controversial project has been praised by its backers and sharply criticized by a de-

Program To Give Opinion On Bonds

Opinions of Terra Linda residents on tomorrow's \$350,000 recreation bond election will be broadcast by radio station KTM at 5:45 p.m. today.

It will be a tape-recorded repeat of Hugh Turner's noon broadcast of "Marin Man in the Street."

At 6:45 p.m. the recreation facilities of Eichler Highlands in San Mateo will be described by Raymond P. Lawrence, president of the community's recreation district, on another KTM program. The Eichler Highlands recreation development has figured in controversy on the proposed Terra Linda recreation development.

Meanwhile, members of the Senate Foreign Relations Committee were working on their own preparations for entertain-

ment on the eve of his American trip.

Debate over a two-year extension of the federal Civil Rights

Commission was the only big hurdle in the way of adjournment of the first session late tonight or early tomorrow.

Wife Pleads Innocent In Stabbing

Mrs. Mary Patricia Ann Parnow, 31, charged with assaulting her husband, Francis, with a butcher knife last July, faces a jury trial in Marin Superior Court beginning Nov. 17.

San Rafael police said Mrs. Parnow is suspected of cutting her husband on the left arm in a family argument.

The superintendent said the school district has experienced a school population increase of approximately 133 pupils a year for the past three years. To keep up with this growth, he said, approximately five new classrooms a year are needed. He said all classrooms are now filled to "beyond capacity."

Marin Terrace School was the last one constructed in the district, at a cost of less than the maximum state allowance of \$14.50 a square foot.

McConnell said several classes are now meeting on split-session basis, and more than 100 classes are meeting in fewer than 100 rooms.

The district is not eligible for more state money because it is not bonded to capacity, he said.

A taxpayer group with Mrs. Thomas McDougall as spokesman has presented the only organized opposition to the bond issue proposal. The group holds that the schools are failing to efficiently utilize their facilities, and that building more classrooms will not improve the quality of education.

Rape Suspect Denies Attack On Mother

San Rafael surveyor Matt Cernac Jr., 35, denied today in Marin Superior Court he had raped a Marinwood mother on the lonely Lucas Valley road last June.

Richard Ernst of 255 Orange Blossom lane, Terra Linda, carrier of Route 150, won a \$25 bond for taking third place in a folding contest in which he tied his own time of 10 papers in 27 seconds in a preliminary Marin County folding contest. The Independent-Journal last week erroneously reported Richard's record as 100 papers in 27 seconds.

In both contests the lads were allowed to use their own newspapers, of average size as to number of pages, and to employ their own techniques. In the case of the folding contest it involved quite an advantage for papers not providing the luxury of a rubber band as does the Independent-Journal.

Leone happens to be of real newspaper family — son of Charles Leone, who is not only Independent-Journal dealer in Novato but twin brother of Julian C. Leone, I-J circulation manager.

Ernst's father is Navy Cmdr. W. E. Ernst.

More than 5,000 boys went to Sacramento for Newspaper Day and there were about 40 competitors in the contests.

The Independent-Journal sent 45 of its boys, who met at 9 a.m. to go up by chartered bus, returning at 11 p.m. Each received a box lunch, a pint of milk and a strip of tickets for the rides. If anybody failed to have a good time that fact wasn't evident.

BOND VOTE

Continued from page 1 to bid on March 1, 1960, with a completion date of July 15.

According to John P. Namle, president of the community services district, the bond issue, if written with a 30-year maturity, can be sold at an interest rate of about 4 1/4 percent. The cost of the bond retirement should average about \$21 per year per Terra Linda family, and in addition, the proposal calls for an assessment of perhaps \$5 per year for each adult user of the swimming pool and \$2 for each child user.

Namle said the maintenance costs of the project and the revenue expected from it won't quite balance. A certain amount of money will have to come out of community services district taxes.

Opposition to the \$350,000 project has been led by the Terra Linda Home Owners Assn. Members of the group have centered their opposition not on recreation or bond issues but on the plan that the directors have presented.

The opponents have called the project the "work of amateurs" and accused the board of "procrastination, poor planning, wishful thinking and undemocratic procedures."

Proponents have cited the approval of their plan by experts in the field of recreation and urged residents to vote for the project to provide a "better way of living" for their families.

Hearing Society Board To Meet

The board of directors of the Hearing Society of Marin will meet tonight at 8 o'clock in the doctors' lounge of Marin General Hospital, according to Dr. Alexander H. Beaton, president.

A report on the organization of the society's speakers bureau will be given by Mrs. William Torrance. Directors will discuss an October joint meeting with the Marin County Parents of Hearing-Handicapped Children, Dr. Beaton said.

The home owners group also has charged that the board asserted residents get "this plan or nothing."

STOCKS TODAY

NEW YORK (UPI)—The stock market closed lower today with final prices at about their lows of the day and most space age stocks canceling gains.

Volume for the day was estimated at 2,500,000 shares compared with 2,640,000 Friday.

Key stocks fell from fractions to a point. Rocket-missile electronics issues bucked the downward trend as they anticipated a bigger U.S. effort after the Russian moon rocket success.

Thiokol was up about two and General Tire, which has a rocket subsidiary, rose more than a point. Texas Instruments was off a fraction after erasing an early gain of about three. Raytheon and Sperry Rand were about a point higher.

Alcoa up about two, and Reynolds Metals off more than two, were metals.

SURVIVOR

Continued from page 1 until about one month ago, when he moved into a B street apartment in San Rafael.

"He had a night job at McNear's brick yard and was making pretty good money," the mother said. "He told us he didn't want to go to school. He's always been a very independent boy."

She said her son and the Stevens youth became close friends when the Coopers lived in Fort Worth several years ago.

"David thought the world of Jerry (Stevens)," she said. "They were just like brothers—easier than brothers. I didn't even know Jerry had been in this area. They've gone off together before, but this time David didn't leave me a note or anything."

Mrs. Cooper said the Stevens boy is the only son of an elderly Fort Worth couple.

She described her son as an excellent swimmer with considerable skin diving experience. The Stevens youth was a poor swimmer, she said.

"Jerry stayed with us one summer when we lived in Arizona," she recalled, "and David saved him from drowning there."

The Coopers have lived in the trailer court at 2000 Redwood Highway for 17 months. Cooper is employed by Ghilotti Brothers, San Rafael contracting firm.

British Plane May Be Lost In Mystery

LOS ANGELES (UPI)—A four-engine plane which the pilot said was attached to the British Embassy in Washington, D.C., was missing today, the Federal Aviation Agency said.

Whereabouts of the plane, with an undetermined number of persons aboard, posed a mystery to officials.

According to a flight plan filed at noon Sunday by the pilot, Paul Parron, the plane was scheduled to take off at 1 p.m. from the Los Angeles Bay International Airport for Seattle. It was due at Seattle at 8:50 p.m.

In Washington, British Embassy sources said today they were mystified by reports that an embassy plane was missing.

They also said a check of all Royal Air Force people attached to the embassy did not disclose the name of any pilot named Paul Parron.

Tam High District Trustees To Meet

Tamalpais Union High School District trustees tonight will open bids for furnishing uniforms for the Redwood High School band.

The board also will consider contracts for roofing jobs at the Tamalpais and St. Francis Drake High School gymnasiums and discuss the Lucky Drive Assessment District and the Marin City high school site.

Trustees will convene at 8 o'clock in the district administration building on the Redwood High School campus in Larkspur.

College Board To Eye Accreditation Report Tonight

A critical accreditation report on the College of Marin will be discussed by Marin Junior College District trustees tonight at 8 o'clock at an adjourned meeting in Harlan Hall on the Kentfield campus.

The board also will consider contracts for roofing jobs at the Tamalpais and St. Francis Drake High School gymnasiums and discuss the Lucky Drive Assessment District and the Marin City high school site.

Friends may call at Russell and Gooch Funeral Chapel, Mill Valley. The family has asked that tributes be donations to the American Cancer Society or the building fund of the Redwood Presbytery Church.

Directors will meet at 8 o'clock in the board room at the main Novato treatment plant.

Rites Held Today For Actor Douglas

Bids will be opened tonight by directors of the Novato Sanitary District on the proposed new 30-inch diameter sewer main to serve the South Novato boulevard area of Novato.

Directors will meet at 8 o'clock in the board room at the main Novato treatment plant.

Mrs. Dennis B. Willis of 35 Oakview drive, San Rafael, told sheriff's deputies she got the phone call shortly before 9 p.m. A man, who identified himself as an FBI agent, told her not to worry about a 1948 sedan that would be parked near her home for the next three nights between midnight and 3 a.m. The man said he was investigating Supt. Willis.

The head usherette at Tamalpais Theater in San Anselmo, Mrs. Glenda Loew of 67 Olive avenue, San Anselmo, suffered a severe back sprain when she fell from the top of a stairway leading to the theater's offices on Saturday afternoon, reported San Anselmo police. She was admitted to Marin General Hospital.

She was born in Louisiana but was brought to California when only eight years old. She was a member of California Chapter, Order of Eastern Star, of San Francisco, and of the Daughters of the Confederacy.

Survivors include a daughter, Mrs. Olive N. Chapman of Ross; a son, Robert N. Carson Jr. of Atenborough, England; two grandchildren, four great-grandchildren and one great-great-grandchild.

Douglas's widow, actress Jan Sterling, 36, said attendance at the services was limited to the family and close friends. Burial was to be private.

Labor Bill Signed Into Law

WASHINGTON (AP) — President Eisenhower today signed into law the bill regulating internal affairs of labor unions and limiting their boycott and picketing activities.

The measure, a landmark of the 1959 session of Congress, represents one of Eisenhower's most important legislative triumphs. It contains Taft-Hartley law amendments he insisted were essential to any effective bill.

The new law is designed to curb racketeering and other abuses in some unions spotlighted in congressional investigations.

The law also puts new restrictions on organizational picketing by unions and on secondary boycotts. A secondary

boycott is one directed at an employer with whom the union has no direct quarrel.

The AFL-CIO contends these Taft-Hartley changes will weaken labor's legitimate economic powers.

The act contains the most far-reaching of the nation's labor-management relations law since the Taft-Hartley law was passed in 1947.

Through its major provisions, the new law:

1. Sets up a bill of rights for all union members guaranteeing such things as equal privileges in conduct of meetings and elections, enforceable by civil suits in federal courts.

2. Requires detailed public financial reporting by all unions, including all receipts, expenditures, salaries, and con-

flict of interest transactions by officers or employees.

3. Requires employers and labor relations consultants to report publicly their expenditures to influence employees.

4. Limits trusteeships over a local by an international union to 18 months. Requires detailed public reports on reasons for trusteeships.

5. Provides for secret ballot elections in unions with a limit on terms of union officers.

6. Bans service as a union officer by any person convicted of a major crime for five years after he leaves prison, or by any Communist or former Communist for five years after he quits the party.

7. Ends a void in federal-state jurisdiction known as no

man's land by permitting each state to handle under its own laws any labor dispute the National Labor Relations Board declines to handle.

8. Prohibits all types of secondary boycotts by closing Taft-Hartley loopholes.

9. Bans hot cargo contracts under which an employer agrees with a union not to do business with another employer.

10. Prohibits picketing in order to organize workers in these situations: Where another union has been lawfully recognized; where the union seeking to picket has lost a collective bargaining election in the last 12 months; where picketing has been conducted for a reasonable period not exceeding 30 days and where no election has been asked.

House Chiefs Consider Junket Ban

WASHINGTON (AP) — House leaders may ban junkets next year while Congress is in session.

Junkets are those taxpayer-paid trips abroad so dear to the heart of so many congressmen.

Fewer than half the House members were present for Saturday's session. Many of them have been abroad for some time. Others had gone home for the weekend.

That meant Saturday's session lacked a quorum—the attendance of at least half the members.

New Pact Ends Short S.F. Newspaper Strike

SAN FRANCISCO (AP) — American Newspaper Guild members struck San Francisco's three papers briefly yesterday before approving a 30-month contract that will provide pay increases of up to \$16 weekly.

Publication was not interrupted at any paper. The strike started technically at 12:01 a.m. but guild members had agreed to finish their Saturday night shifts and get out the two morning papers. The walkout did not affect the afternoon paper.

The guild said the new contract provides \$5 increases for men on the top minimum, retroactive to March 27 when the old contract expired. They got the \$86.75.

Retroactive increases apply to the 130 employees who lost their jobs Aug. 10 when the News merged with the Call-Bulletin.

U.N. Meets Tomorrow; Khrushchev To Speak

UNITED NATIONS, N.Y. (AP) — The U.N. General Assembly convening tomorrow looks to a speech by Nikita Khrushchev for an indication whether it will be a "cold war" or "reconciliation" session.

The prospective agenda of more than 70 subjects includes an Indian drive to seat Communist China, the Algerians' fight for independence from France, the future of a million Palestine Arab refugees and questions of nuclear and conventional disarmament.

The body is set to elect Victor Andres Belaunde, 77, Peruvian lawyer-teacher-diplomat, as its president soon after

RUSS AMAZED AT SIZE OF U.S. FAMILIES

Diplomats are looking to his address on hints on how far he may go toward reaching an agreement with the West—and what he might do toward inducing Communist China to settle her border dispute with India.

WHERE SOVIET ROCKET HIT— Russian authorities, in advance of Soviet Union's announcement that it had landed a rocket on the moon, said rocket would come down about a quarter of the way from the center of the moon's disc to its outer edge at a point near the Sea of Tranquility, the Sea of Serenity and the Sea of Va-

por. These seas, features of moon's surface mapped by astronomers years ago, are assumed by scientists to be dry but it is not known whether they are expanses of dust or rock. This composite picture of moon, showing it from first to last quarters, was made by the Lick Observatory near San Jose.

John Farrar Resigns From San Jose Board

John J. Farrar Jr. has submitted his resignation as a member of the San Jose School District board, a position he has held four years.

Farrar was elected to the board in 1955. His present term is due to expire on June 30, 1961.

Trustees are expected to accept the resignation at a regular meeting at 8 o'clock tonight in the office of Supt. Phillip W. Schneider.

Fairfax Sets 'Go-It-Alone' School Talks

The independent operation of the Fairfax School District next year will be a topic of discussion at 7:45 p.m. tomorrow at the regular meeting of the district board at Manor School.

The Fairfax-San Anselmo-Kentfield confederation is to terminate next June 30.

Other items on the agenda tomorrow are a progress report on the tax increase proposal, a report on the 1959 summer school, a report from the salary administration study committee, a report on the revised reading program, and a review of the manual of administrative rules and regulations.

Sausalito Council Meet Postponed

The adjourned meeting of the Sausalito City Council, normally held on the third Tuesday of the month, will not take place tomorrow night but instead will be held Sept. 22, City Manager Donald A. Duerr said today.

The council's decision to postpone the meet was to permit the necessary time to elapse prior to the opening of several bids, Duerr said.

Marinite Appointed

Lee A. Dickinson of Kentfield has been appointed as a registered representative of Waddell & Reed, Inc., international distributor of United Funds, Inc., a mutual fund.

U.S. Paratroops Reported Sent To Spot Near Troubled Laos

VIENTIANE, Laos (UPI)—Communist rebels have increased their activities in Sam Neua Province of northern Laos, a government communiqué reported today.

The announcement followed reports by Gen. Soukhavong that Communist jet fighter planes were flying over the province—the first appearance of Red planes in the current crisis.

In Honolulu, a spokesman for Adm. Harry Felt, U.S. commander-in-chief in the Pacific,

denied reports that American units on Okinawa were being alerted for possible use in the Laotian crisis.

The spokesman said broadcast appeals to Marines, Air Force officers and certain Army units to return to duty stations were brought by reports of an approaching typhoon.

(However, Okinawa reports said some American paratroops were being sent to Thailand on standby orders.)

Reports of "feverish" mili-

tary activity on Okinawa coincided with the arrival there this weekend of a flotilla of more than 20 ships of the U.S. 7th Fleet including the aircraft carrier Shangri-La.

Unconfirmed reports in Tokyo said the fleet might be ordered to sea patrol off Indo-China.

Unofficial but reliable sources at Naha said American paratroopers of the 3rd Marine Division's reconnaissance battalion were being sent to Thailand on standby orders.

HEAD OF U.N. PROBE UNIT LANDS IN LAOS

BANGKOK, Thailand (AP)—Shinichi Shibusawa, Japanese chairman of the United Nations subcommittee investigating the fight in Laos, arrived today.

He said he expects his group will remain at least a week in the revolt-torn Southeast Asian nation.

Reds Claim Indian Troops Sent Into Chinese Territory

TOKYO (AP)—Red China accused India yesterday of sending troops into an area which even Indian maps show as Chinese.

Radio Peiping said Foreign

Minister and Deputy Premier Chen Yi made the charge before the closing session of the Standing Committee of the National People's Congress.

Chen said India was using "two-faced tactics" in her border dispute with China. He rejected an Indian proposal that

Red troops withdraw from Longju, a disputed border post on the Tibetan frontier, but added that China was willing to discuss Longju.

The outpost was overrun by Red Chinese troops Aug. 26 after a skirmish with an Indian border patrol. In a note to Peiping last Thursday, the Indian

government proposed that Longju be made a temporary no-man's land while its status is discussed.

What Should Be Real Goal Of All Our Government?

Dr. Everett Carter of the University of California Agricultural College at Davis, welcomed state department heads to the college campus last week. In his welcoming speech, he noted the parallel between government and education.

Both of these, he pointed out, aim at the same thing—enabling the private individual to realize his best potential.

In education, Dr. Carter said, the ultimate potential of the student to learn and develop is the major objective.

In government, the objective is to allow the private individual to realize his greatest potential in the life he can lead in a free society.

"Democratic government," he said, "is an art essential to the freedom of man." But it is a changing, not a static art. Those who believed that the best government is no government have practically disappeared.

Those that believe "he governs best who governs least" are modifying their approach.

Government must constantly cope in the battle between change and stability,

Marin's Hemline Starts Up

The knee-cap, which was proclaimed a knobby horror by the late master, has been deemed socially acceptable by his successor. Already Marin's collective hemline is starting to rise with predictable conformity.

BE DARING, NOT RECKLESS

The daring of a 15-year-old swimmer cost him his life not long ago near Seattle, Washington.

He challenged two companions to bind his hands and feet, boasting that he could untie himself under water. When they tied his hands and feet, he dove off a dock into a deep ship canal.

The two teenagers expected their fellow swimmer to reappear quickly, but they waited in vain. What started as a demonstration to prowess ended in tragedy. The impulsive youngster drowned.

Daring, when controlled by common sense, can accomplish tremendous feats.

But families with incomes above \$20,000 were more contented than either of the other two groups.

Why Haven't We Cut Tooth Decay

EDITOR, Independent-Journal:

During an appointment with my dentist today, we discussed the fluoridation program in light of the recent survey made of Marin school children's teeth.

This survey, I was told, disclosed an abnormally high decay rate in the children's teeth of this area—probably one of the highest in the state.

I've been a resident in Marin for over 35 years and am raising three children in this county. Naturally, I'm concerned that no active steps have been taken in regard to the fluoridation of Marin's water supply.

Why has this demonstrated

method of arresting decay in the teeth of our children—a method which has been adopted by progressive communities throughout the country—been completely ignored in Marin?

What county authority is responsible for taking active steps in the adoption of such a program and what are their findings to date?

'Red Herring Is A Noble Fish'

EDITOR, Independent-Journal:

Re your August 28th editorial—Let's Eliminate Red Herrings in Civic Center Criticism: Why not give us the figures on how many criticisms the supervisors have re-

ceived re the proposed Civic Center? How many HUNDREDS of postcards? How many letters and telegrams? Did any of them present facts which the supervisors should consider? You state that the supervisors decided on a pay-as-you-go program rather than a bond issue. Not so. The public turned down the bond issue, THEN the supervisors decided on their present plan. Is it true that we have allocated 150 acres for the proposed center? What do we plan to do with all this acreage? Have the supervisors checked the CURRENT costs of construction, furniture and landscaping and allowed for inflationary trends? Suggest that the supervisors program some evening meetings so that business people, both local and commuting, can be satisfied on some of these points, plus the functionality of the proposed building. The herring, red or otherwise, is a noble fish, but not when used to evade issues. How about giving us some straight answers?

CAMPAIGN FUNDS

Democrats Now Receiving More Than Republicans

By Congressional Quarterly

WASHINGTON (CQ)—For the first time in 10 years, Democrats are getting more campaign contributions than Republicans.

This startling reversal of political fortunes was revealed in Congressional Quarterly's rundown of official reports filed with the Clerk of the House of Representatives by political committees of both major parties, organized labor and independent groups.

The roundup also showed that twice as much money went into organized labor's political treasury in the first five months of 1959 as in the comparable period of 1957, the last previous non-election year.

Five Democratic committees reported total receipts of \$764,701. Ten Republican organizations said they took in \$581,828.

The Democratic National Committee alone received \$741,799, while the rival Republican National Committee had an income of only \$333,222.

Congressional Quarterly records indicate this is the first year since 1949 that the Democrats have received more funds than the GOP.

THE REVIVAL of optimism over Democratic chances for victory in 1960 is the clear reason for the party's brightening financial picture. A Democratic National Committee spokesman said the sweeping Democratic victory in 1958—like Mr. Truman's upset win in 1948—had pried open a lot of closed checkbooks.

The Republican disadvantage in actual operating funds is smaller than these figures would indicate. Much of the money Democrats have collected is being used to retire 1956 campaign debts. About one-third of the carry-

over debt of \$750,000 has been paid off so far this year. There has been no decline in contributions to the GOP. The Republican National Committee, for example, actually has received \$33,000 more in gifts this year than two years ago. But the Republicans have not been able to match the upsurge in Democratic giving, which has almost doubled its 1957 pace.

The strengthened position of the union political treasuries also will benefit Democrats in 1960. Through the years, labor unions have given more than 90 per cent of their campaign contributions to Democratic candidates.

Reports from 15 labor political committees showed total receipts of \$139,547 for the first five months of 1959, compared to \$70,249 for the same months of 1957.

TRY AND STOP ME

BENNETT CERF

Peter Lind Hayes tells about a magician who arrived at a millionaire's estate for a weekend, carrying a bag of props with his other luggage. A butler unpacked while the magician lunched, so when he went back to his room he found in one drawer, impeccably laid out, three decks of marked cards, a stiletto, a collapsible bird cage, a revolver, and two sets of false teeth.

The butler spent the weekend keeping one eye on the magician and the other on the flat silver! All summer, a midwestern minister noted with dismay, a goodly percentage of his congregation fell quietly asleep during his sermon. Determined to learn the reason

why, he had one of his courses taped, and after Labor Day dinner put it on the recording machine in his study, and prepared to make notes.

A half hour later, there was a phone call for him and his wife woke him up.

Almost As Many Hudsons In Phone Book As Remain On Our Highways

WHILE SEARCHING for a phone number in the Marin directory the other day, we happened to notice that a gent named Buick (William) lives in San Rafael.

This aroused our curiosity. How many other Marinites, we wondered, are walking advertisements for automobile campaign headquarters?

A hasty check revealed that in addition to one Buick, the county phone book lists 39 Fords, five Lincolns, six Dodges, two De Sotos, one Chrysler, 13 Hudsons, nine Nashes, three Falcons and three Hawks.

Also listed are four persons named Olds. And, if you'll excuse the slight variation in spelling, so are two Borgwards, one Imperiale and one Larke.

Besides the Borgwards, the "foreign car Marinites" include three Isettas, 36 Morris and one Hillman. There are no Austin-Heals in the directory, but 17 Austins and 11 Heals are listed.

That grand old wartime vehicle, the Jeep, apparently has no namesake in Marin—unless you want to count Jeep's Drive-in Restaurant in San Anselmo.

TURNING TO the new San Francisco directory, we find it's Russell Wolden by 4 to 1 over incumbent George Christopher in S. F.'s hot mayoralty race.

The book has phone listings for the Wolden for Mayor campaign headquarters, Wolden for Mayor cam-

"What do they teach? How to break into a safe?" he asked Police Chief Frank Nelson.

"I think," he added, "that this is one of the fringes we can do without."

It was touch and go for a while, but Long finally joined his colleagues in approving the trip.

U.N. Security Council Lauded

For Action On Laotian Problem

IN DEALING WITH the Laotian affair, the first action of the U.N. Security Council has been responsible, skillful, and addressed to the right objective. This is to find out what is really going on in Laos generally, and in the border regions touching Communist Viet Nam in particular.

We have the Communist version of the affair expounded by Mr. Sobolev, the Soviet delegate to the Security Council. But we do not have an objective account from any Western or neutral source which explains in any detail what has been happening during the past years in Laos, how the civil war originated, and how big is the intervention in that civil war of Communist Viet Nam.

We have the Communist version of the affair expounded by Mr. Sobolev, the Soviet delegate to the Security Council. But we do not have an objective account from any Western or neutral source which explains in any detail what has been happening during the past years in Laos, how the civil war originated, and how big is the intervention in that civil war of Communist Viet Nam.

In sending a committee of four to study the Laotian situation, the Security Council may have slowed down, even if it has not brought to a standstill, the actual fighting. In any event the committee can, if it does its work thoroughly and fearlessly, provide the ground, which is now lacking, for effective action. As things stand now, any positive action, military or even diplomatic, by the U.N. or by SEATO, would be a leap in the dark.

What the U.N. has to aim at is a political solution of the Laotian civil war. In seeking such a solution it should make use of all available diplomatic channels, the good offices of the Soviet Union, the good offices of India, the Sub-Committee of the Security Council, and, it may be, of the International Commission which was set up at Geneva in 1954.

What the Security Council has done was the wise thing to do. It is the most and it is the least that can be done until the fog in which the whole affair is shrouded has been cleared away.

Daughter For Actor

SANTA MONICA (UPI)—Mickey Rooney, 36, father of three sons, now has a daughter.

The actor's fifth wife, the former Barbara Ann Thomas, presented him with a 6-pound, 10-ounce girl yesterday in St. John's Hospital. The baby was named Kelly Ann.

Alaska Strike Ends

ANCHORAGE, Alaska (UPI)—Alaska carpenters voted yesterday to accept a new contract offering wage increases of 78 cents an hour over a three-year period, thus ending a 78-day strike.

The action will send 2,000 carpenters back to work with about 2,000 members of other craft unions affected by the strike. The walkout started June 27.

Knifed In Teen Fight

BLACKFOOT, Idaho (UPI)—While their friends watched, two teen-agers from the rival towns of Blackfoot and Aberdeen fought in a darkened farm field yesterday.

Suddenly one drew a knife and stabbed the other 10 to 12 times.

Ronald Nielsen, 18, Blackfoot, is in serious condition at a hospital.

Sheriff's officers held Arturo Paz, Aberdeen, for arraignment on a charge of assault with a deadly weapon.

Record Fair Turnout

SACRAMENTO (UPI)—Happy officials at the California State Fair were sporting a brand new attendance record today.

When the fair closed last night after a 12-day run, 915,559 persons had pushed through its turnstiles.

"Whee!" said a young lady in the public information office while pointing out that the old record, set in 1956, was 823,887.

Communists Lose

SAN MARINO (UPI)—The Christian Democrats and their Democratic Socialist allies held control of San Marino's legislature today, beating the Communists in an election for the first time since World War II. This 1,600-year-old 38 square mile republic held elections yesterday.

Adenauer Slightly Hurt

BONN, Germany (UPI)—Chancellor Konrad Adenauer limped back to work today. He tripped in a rabbit hole during his Italian vacation.

More Montana Quakes

WEST YELLOWSTONE, Mont. (UPI)—Four earth shocks jiggled the area around West Yellowstone yesterday, nearly a month after the devastating earthquake of Aug. 17. No damage was reported.

Steel Strike Talks

NEW YORK (UPI)—Full-scale negotiations in the nation's longest steel strike resumed today in the shadow of a warning from the union that it will not budge.

United Steelworkers Union president David J. McDonald made the statement while appearing on a television program yesterday.

He said the union does not intend to back down on its demand for higher wages and its refusal to accept changes in current work practices. Pre-strike wages averaged \$3.11 an hour.

Atom Aide Named

SACRAMENTO (UPI)—Gov. Edmund G. Brown has appointed a retired army colonel to be his first personal adviser on atomic energy.

In an announcement yesterday, Brown said the new coordinator of atomic energy development and radiation protection would be Alexander Grendon of Orinda. Grendon, 59, retired from his post as deputy commander of the Chemical Corps Research and Engineering Command in 1954. Since then, he has worked on radiation and fallout problems at the University of California.

Blind Man Robbed

PORTLAND, Maine (UPI)—William H. Casey, 77, and blind, gratefully accepted the man's offer to help him across the street. The man even saw Casey to the door of his home. Later Casey discovered his wallet with \$34 was missing.

Motherwell Returned

DOWNEYVILLE (UPI)—Larry Lord Motherwell arrived in custody from Atlanta today to face charges of slaying Pearl Ida Putney, a wealthy Washington, D.C. widow.

Motherwell, 43, was returned by Sierra County Sheriff W. D. Johnson and special state agent Kenneth Horton after Georgia Gov. Ernest Vandiver signed extradition papers and Motherwell waived further resistance to his return. The FBI caught him in the Georgia city.

Designer Adrian Dies

LOS ANGELES (UPI)—Gilbert Adrian, 55, who as the famed designer Adrian, clothed some of Hollywood's and Broadway's loveliest stars, died yesterday of a cerebral hemorrhage.

His wife, actress Janet Gaynor, and their son, Robin, 19, were aboard a jet airliner, speeding to his side from New York, when he died at 10:30 a.m. of the stroke suffered Saturday night at his home.

The style-changing innovation which Adrian was most often credited with was the introduction of padding in the shoulders of women's suits and dresses.

Adrian, a native of Naugatuck, Conn., was head designer at Metro-Goldwyn-Mayer for many years. He designed gowns for such stars as Greta Garbo, Norma Shearer, Joan Crawford, Myrna Loy, Hedy Lamarr and Rosalind Russell.

NAVY NURSE RECRUITER

Lt. Grace Fisk of the Navy Nurse Corps will be at the Navy Recruiting Office, 1116 Fourth street, San Rafael, from 10 a.m. to 2 p.m. tomorrow to consult with registered nurses and student nurses interested in a navy nurse career.

The total authorizations in the county for the first eight months of the year were 6.9 per cent better than for the same period in 1958, adding up to \$41,508,434.

San Rafael led all areas in the county with a total of \$1,412,068, though Corte Madera was close behind with \$1,195,767. The San Rafael total was boosted by 81 units of residential construction in the recently-annexed Terra Linda area.

Novato, at or near the top for some months, backed off during August to \$340,780.

Permits for multiple dwelling units, comprising apartments and duplexes, dropped off during August to 49 units out of 265 permits after having accounted for half of the new residential unit* construction through the month of July.

Marin Building Permit Total Up From 1958

Marin County construction authorizations for August were down 5.1 per cent from the previous month but up a whopping 74.9 per cent from the corresponding month of last year, according to tabulations prepared by the Marin Industrial Development Foundation. The August total was \$5,360,792.

Featuring the permits was one of \$766,352 for Montgomery Ward and the First National Bank at the Corte Madera Center.

Hearings End In Case Against Bail Broker

James Joseph Shelley, San Anselmo bail bondsman accused of improper efforts to influence members of the Marin County sheriff's office, has waived testimony by his rival bondsman, James V. Stragnola, of San Rafael, and submitted his case on testimony recorded last May.

A proposed decision is accordingly being prepared by the hearing officer, Harold Furst of the division of administrative procedure of the State Insurance Commission in San Francisco.

Furst said today that this proposed decision, a confidential document, will be sent

to the Marin County sheriff sometime this week to F. Britton McConnell, insurance commissioner, who will either adopt and announce it as the final decision or take other steps to reach his last word.

Outcome of the matter may be revocation or suspension of Shelley's license or dismissal of the action against him, Furst said.

Hearings before Furst took place May 25-27 and were then suspended until today because it was expected there would be testimony by Stragnola, who was in Europe last May.

A final decision on location of a new library for Dominican College is expected in two weeks with construction scheduled to begin next spring. Plans are being drawn by Schubart and Friedman of San Francisco, consulting architects for the Dominican Sisters of San Rafael.

Last on the schedule of building is construction of a new Dominican Convent upper and lower school in Forest Meadows.

S.F. Slaying Suspect Arrest Solves NWP Thefts Here

Arrest of a San Quentin Prison parolee in San Francisco on a murder investigation started weekend wheels turning that solved the Labor Day burglary of San Rafael's Northwestern Pacific Railroad business office.

San Francisco homicide detail inspectors learned that Wesley J. Woodward, of whose release from San Quentin the police apparently had not been notified, occupied a room in a Fourth street hotel in San Rafael.

The room was searched and the following turned up:

A dictaphone wrapped in a sweater in a dresser drawer.

A transcribed in a cardboard box under the bed.

A gold railroad watch.

A barometer.

The dictaphone and transcriber had a combined value of \$325. No values were listed for the other articles, but all

SPRY, SPIRITED SPOOK SPOILS HAUNT HUNT

coincided with a list of goods removed from the railroad depot's business office a week before.

The San Francisco inspectors returned to home base, questioned Woodward, and phoned San Rafael police yesterday that Woodward had told them he broke into the depot during the Labor Day holiday and removed the four articles. He said he had smashed a window with his elbow to gain entry into the building at Fourth street and Tamalpais avenue.

Woodward is held in San Francisco on suspicion of beating to death John E. Caslo, 40, a laborer, in a Sixth street hotel room there on Saturday.

U.C. Prof Blasts Schools For 'Senseless Curriculum'

A state university professor, speaking at a Marin private school, yesterday indicted the public schools for teaching a "senseless curriculum" and negating the democracy they preach.

The speaker was Dr. James J. Lynch of the English department of University of California at Berkeley; the place, the Three-R Schools in San Rafael Meadows, holding open house in advance of the opening of its fall term in newly completed quarters today.

Dr. Lynch, who is chairman of Subject A freshman English at U.C., said he has concluded after much thought and observation that "life-adjustment education and so-called 'progressivism' are passe, behind the times, blind experiments during a poor benighted age."

Said he:

"The curriculum of many schools during the past two or three decades has become increasingly senseless . . . Not only have there been added 'courses' in such things as preparation for marriage, recreational dancing and the development of hobbies, but the courses that remained from an earlier day have been watered down until they are hardly recognizable: History has been swallowed up by that amorphous anomaly, 'social studies'; English has become 'communication' or 'language art'; mathematics has become virtually non-existent."

There has been some recognition of the need for change, said the U.S. professor, but "the changes so far have been little more than tinkering."

Lynch dismissed as "half truths" the arguments that the

public schools must concentrate on "life adjustment" because many students are incapable of handling an academic education and do not need it.

"What's more," he said, "what truth there is in them is an indictment of an educational system that is content with the second-best."

"Educationists," said Lynch, argue that life-adjustment education is patriotic and democratic.

"The strength of a democracy," he declared, "rests solely on its informed and intelligent electorate. And what prepares such an electorate—written composition or making colored posters? . . .

State Board Asks Bigger Rebate For Gas Consumers

Northern California customers of Pacific Gas and Electric Co. will receive about half of a \$13 million refund which the Federal Power Commission has ordered El Paso Natural Gas Co. to make to California gas customers—but the California Public Utilities Commission thinks the refund amount should be still more.

Contending that the FPC failed to calculate refunds properly and that some of its findings were contrary to lawful regulatory principles, the California commission has asked for a rehearing and a stay of the order.

The refund would be for rates effective from April, 1955, to Jan. 1, 1958.

Coach, 38, Leads Marin Team To Dipsea Run Championship

By JIM GILMARTIN

The coach of the Marin Athletic Club cross-country running team set a strong example for his teammates yesterday by winning the 49th edition of the rugged, seven-mile Dipsea Handicap Race from Mill Valley to Stinson Beach.

He is James Imperiale, 38-year-old native of Mill Valley, who not only won the top individual award but led his Marin A.C. to the team championship.

Imperiale, granted the maximum 15-minute handicap, ran the mountainous course in the actual time of 62 minutes, 44 seconds and the corrected time of 47:44.

His club breezed to the team championship by taking first, second, third, fifth and ninth places.

Following Imperiale, the other team division, their positions and actual times, were: Tim Kelly, second, 52:30; Bob Hope, third, 52:33; Jess Ochoa, fifth, 53:05; and Wes Hildreth, ninth, er four Marin scorers in the 52:36.

BEST TIME

Greates individual performance, however, belonged to defending champion Fernando Leon, University of Southern California star from Tucson, Ariz., who recorded the best time for the second straight year. Although he suffered a painfully twisted ankle a half-mile from the finish, Leon galloped home in the outstanding time of 49:57—best time in recent Dipsea history and not far

S.A., REDWOOD WIN WARNER GRID OPENERS

San Anselmo and the Redwood Junior Giants each recorded a 7-0 triumph yesterday as the Marin County Pop Warner Football Conference opened its 1959 schedule with a double-header at College of Marin Stadium in Kentfield.

With an estimated crowd of 1,100 fans looking on, San Anselmo downed Mill Valley and the Junior Giants edged San Rafael.

San Anselmo's winning touchdown was scored by Al Simontacchi on a 25-yard pass-run play early in the second quarter. Mike Kemp ran over for the point after touchdown.

The Redwood-S.R. tilt looked as if it would end without a score until the Junior Giants blocked a punt and recovered on the San Rafael four yard line late in the fourth period. Dave Auerbach plunged over on second down for the winning tally. Auerbach also scored the PAT.

Leon, who won last year's Dipsea in 51:15, said he twisted his ankle about a half-mile from the finish yesterday, but managed to finish before the pain set in. "I knew I hurt it pretty bad," he said, "because I heard it pop two or three times."

Running from scratch position, he was fourth in order of finish.

The first eight to finish received trophies and 60 others were presented medals by the sponsoring South of Market Boys Club. A special cup for the first high school runner to finish went to young Hope, a Tamalpais junior from Mill Valley.

Imperiale, son of Mill Valley Police Officer John Imperiale, had run the Dipsea competitively four times before yesterday, but never finished better than 23rd position. "I took about seven full practice runs over the course," said the winner, "but figured I couldn't do any better than 65 minutes. I'm surprised I did so well yesterday."

The wiry Mill Valleyan said his pre-race strategy was to give a do-or-die effort. "I told myself I'd drive myself to the finish with everything I had or they'd have to carry me across the finish."

He was in fairly good shape at the finish and completely ignored the "25 MPH Limit" sign at the entrance to Stinson Beach, turning on a sprint over the last 200 yards.

Kelly came in 46 seconds after Imperiale. Hope was one minute and three seconds behind Kelly and 24 seconds ahead of Leon.

DIPSEA DOODLES — Seventy-four runners started the race and 68 finished, the others either losing their way or just pooping out.

The Marin A.C. had 19 entries who finished.

Wilford King, former Stanford runner who won the Dipsea's best time trophy in two previous years, couldn't try for an unprecedeted third title yesterday. He suffered a groin injury in a recent race and had to attend yesterday's Dipsea as a spectator.

Two unofficial entries received big ovations at the finish line. They were 14-year-old Steve Roula of San Marino and 24-year-old Mrs. Franz Rieger of the Pelican's Nest in Stinson Beach.

Little Steve said he came north—all alone—to run the rugged course as he is preparing for a cross-country career which may lead him to the Olympic Games. He covered the course in a respectable 66 minutes.

Mrs. Rieger was unofficially

Giants' Confidence Reaches Peak

Leaders Increase Lead With Brilliant Victory

Their lead back at a fat two games, their spirits high and their confidence great, the San Francisco Giants opened a two-game series with the Cincinnati Reds today — Johnny Antonelli on the mound.

The stylish southpaw, seeking his 20th victory of the campaign, has a chance to march one step closer to the pennant with a win, as San Francisco has only 12 games left to play.

With their brilliantly executed 1-0 victory over Philadelphia yesterday, the Giants got a big morale boost. As Los Angeles lost to Pittsburgh and Cincinnati beat Milwaukee, San Francisco was in its best position in days.

When it was announced that the Dodgers had lost to Pittsburgh shortly after the Giants had won their game yesterday, a tremendous roar burst from the San Francisco dressing room.

"Man, what a lift that was," said Coach Hank Sauer.

Manager Bill Rigney was emotionally drained after the tense mound duel with the Phillies.

WINNING RUN

He had nothing but praise for pinch-hitting Dusty Rhodes, a hero of many a Giant victory in the past, who hit a fly ball in the second inning that scored the winning run.

"He was spraying line drives all over the outfield in batting practice," said Rigney. "So just thought I'd call on him. Never before have I used a pinch-hitter as early as the second inning."

The lone run stood up all the way under some brilliant pitching by Jack Sanford, who won his 14th decision, though weakening in the late innings.

Sanford pitched the first five innings without allowing a hit. Then the Phils combed his offerings for five safeties and a lot of hard hit balls that were mere outs because of spectacular fielding.

Daryl Spencer made two fine plays at second; Jose Pagan made a diving scoop of a hard hit ball for another out; and Willie Mays caught a couple of balls against the scoreboard in center. Mays scratched his left thigh trying to climb the right field wall to get a double hit by Harry Anderson.

The run that won the game came after Orlando Cepeda and Willie Kirkland hit singles to open the second inning. With one away, Hobie Landrith drew a walk. Rigney then called

INDIANS JUST ABOUT DEAD

Chisox Near Flag; Magic Number Six

By ASSOCIATED PRESS
On July 16, 1957, Billy Goodman hit a home run. Two years and nearly two months—exactly 254 games—went by before he hit another.

The homer Goodman hit two years ago came with a man on base and enabled Baltimore to beat Chicago. The score was 3-1. The homer Goodman hit yesterday also came with a man on base. This one enabled the White Sox to beat Boston. The score? 3-1.

Billy's surprise blow, only his 18th in 12 big league seasons, probably was the most important hit he ever made. It enabled the White Sox to widen their first place lead to 5½ games over Cleveland and all but mathematically eliminate

the Indians from pennant contention.

The Indians lost a game and a half to the White Sox as they dropped both ends of a double-header to the New York Yankees 2-1 in 11 innings and 1-0. Chicago's magic number now is six. Washington whipped Detroit 5-1 and Kansas City swept a doubleheader from Baltimore 9-5 and 4-1.

Buck Shaw posted his 18th triumph although it took the combined relieving of Billy Pierce and Turk Lown to nail down the White Sox' 89th victory. Goodman's homer was a 400-foot drive into the right field bullpen off Frank Sullivan in the fourth inning. It followed a walk to Jim Landis. Well-pitched games by Cleve-

land lefty Jack Harshman and right-hander Jim Perry went for naught. Harshman, who had won four straight since his purchase from Boston two months ago, dueled through 10 scoreless innings with Bob Turley of New York. After Turley had left for a pinch-hitter, the Indians appeared to have picked up the winning run in the top of the 11th.

Tito Francona literally knocked Ryne Duren out of the box with a line single off the relief pitcher's ankle. Duren had to be carried off the field. Gary Blaylock took over and gave up singles to Rocky Colavito, Russ Nixon and Woodie Held. Francona scored on Held's hit, but Colavito was thrown out at the plate. Eli Grba stopped the rally.

Tony Kubek singled to open the Yankee 11th. Mickey Mantle, who had been fanned twice by Harshman, then smashed a home run into the left field bleachers.

Duke Maas took a pitching duel from Perry in the second game, permitting six hits for his 13th straight.

We'll Still Be Tough, Says Hickey After L.A. Stampede

LOS ANGELES (AP) — Maybe the San Francisco 49ers now realize what the gold rush was really like.

They came to town last Saturday and barely had time to look up before they were trampled under by rushing feet. Not those of gold miners, however—just football players in the uniforms of the Los Angeles Rams.

Although the game was billed as another pre-season warm-up, the Rams took the affair deadly serious.

After fullback Joe Marconi crashed up the middle 67 yards for a touchdown only two minutes after the action started, the Rams got the habit. They scored six more times to humble the San Franciscans 48-14. The Rams led at halftime 41-7.

BEST EFFORT

Coach Sid Gillman said it was his team's finest offensive effort of the year and he was impressed, perhaps for the first time with his defensive unit. "It was definitely above average and I believe it can get better," he said.

The 49ers, now 2-3 in exhibition standings, go to Salt Lake City this Saturday to meet the New York Giants in the exhibition finale.

Hamilton's parade of touch-

"We are not throwing in the sponge," Hickey observed. "We'll still give somebody a good battle."

"I thought all along that the Rams are the team to beat in this league."

In all, the Rams rolled up 500 yards rushing and passing, holding the 49ers to 244 yards.

The crowd of 59,552 had barely settled down after Marconi's rumble when halfback Jon Arnett took off in full

flight around right end and went 81 yards for another score. Eight minutes later, Arnett put another Ram touchdown on the boards with a 26-yard sprint around the reverse end.

The dazed 49ers were given two more quick jolts in the second quarter when Tom Wilson sliced into the end zone from the two-yard line and safety man Will Sherman intercepted Jon Arnett took off in full

a Y. A. Tittle pass and ran it

back 70 yards for a touchdown. San Francisco came to life momentarily when Tittle connected with halfback Dick Moegle for a 65-yard gainer. Tittle took the ball into paydirt from a yard out on the next play.

Ram quarterback Bill Wade, who connected on 9 of 17 passes thrown for the night, hit end Leon Clarke on a six-yard scoring pass as the half ended.

WOODSON RAMBLES

Each team scored another touchdown in the second half. San Francisco halfback Abe Woodson raced 44 yards to the Rams 4, returning Del Shofner's punt. On the next play, Jim Pace circled left end for the tally. In the last quarter, Wilson carried the ball over from the two.

Arnett was the offensive star, gaining 125 yards in 7 carries.

Ollie Matson sparked the final Ram touchdown drive, but he has still failed to get across the goal line himself this year. He netted 59 yards in 12 carries.

Hamilton Crushes Moffett Air Base In Grid Opener

The powerhouse Hamilton Defender football team stunned

a hapless Moffett Naval Air Station eleven 87-0 Saturday afternoon on the Hamilton gridiron.

Flashing a well-balanced ground and air attack, the Defenders, sparked by Skip Corley and Lou Baldacci, scored at will every quarter. The mammoth Air Force line ripped the Navy forward wall to shreds to enable Hamilton's versatile backs to scamper to a 57-0 halftime lead.

GOLDEN GATE REGATTA

Flukey Winds Create Startling Reversals

By ALFRED MATSON
The greatest assemblage of yachts ever to participate in the Golden Gate Yacht Club's annual regatta—there were 229 starters—showed up for yesterday's classic.

Winds in the afternoon were flukey. In fact, off Alcatraz Island, of all places, the breeze failed utterly and led to some startling reversals in the boat positions in many of the classes and divisions.

In the Farallon Class, for instance, Aldo Alessio of the St. Francis Y.C. had his Mis-tress II well in the fore until sliding into the doldrums, and bobbed helplessly while the balance of the fleet skirted the area and moved on ahead, leaving the erstwhile leader in the ruck. And the same misfortune befell Jim Wilhite's big yawl Athene. A nice lead over the Baruna and Orient went by the boards in the same area, with a resultant fourth position at the finish line.

Next weekend will see the big finale with two days of racing sponsored by the St. Francis Y.C. Again the turnout should top all existing records as the status of the season's champion is still in doubt in many of the classes and divisions. And, too, being the closing feature for 1959, most boat owners will want to get into the act.

GOOD NEWS, Jack Heddern's new 65-foot yawl, made her maiden appearance on the bay yesterday but did not race officially. Yet she did match the

Baruna on a couple of tacks and displayed a good turn of speed.

BELVEDERE Sailing Society also had most successful regatta and carnival. A program replete with swimming and boat races was run off smoothly under the general chairmanship of Mrs. Allan Steinau, abetted, too, by perfect weather conditions. Perfect except for a slight matter of wind for the Sunday events, there just wasn't enough to propel the many little wind-jammers about the course. Yet, oddly enough, two of the youthful sailors managed to flop—Tommy Ferguson in his El Toro and Irv Harris in a Lido 14 with no ill results in either case.

Chapman Hero As Tiburon Old Timers Nip Pelicans

Former major league star Sam Chapman singled in the winning run in the ninth inning as the Tiburon Old Timers defeated the Tiburon Pelicans, 9-8 yesterday in the annual Old Timers Day game at Judge Field.

Chapman's blow scored Stan Foote from third to climax a three-run ninth inning for the Old Timers. They got their other six tallies in one frame also—the third, to wipe out a 2-0 Pelican lead. The Pelicans came back with three of their own in the bottom of the third, however, and, scoring one run in each of the fifth, seventh and eighth innings, took an 8-6 lead into the ninth.

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "washboard" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

SMILING ARRIVALS—Actress Ingrid Bergman and her daughter, Jennie Lindstrom, put their heads together on arriving at New York's Idlewild Airport last night from Paris.

Rossellini, Bergman Ask Annulment

ROME (UPI)—Ingrid Bergman and Roberto Rossellini prepared today to ask Italian courts for annulment of their marriage on the basis of a Swedish high court ruling that Miss Bergman's Mexican divorce from her first husband was not valid.

The ruling handed down in Stockholm Saturday gave Rossellini the documentation he needs to prove his claim that Miss Bergman was still the wife of Swedish surgeon Peter Lindstrom when she married Rossellini. The court held that the 1950 Bergman-Lindstrom divorce was not valid in Sweden.

NO COMMENT

Lawyers for the two parties declined to comment on when they would apply for new annulment hearings here, but there was no question that the application was made. Until the Bergman-Rossellini marriage is annulled in Italy, Miss Bergman faces bigamy charges for marrying Swedish impresario Lars Schmid, her current spouse.

Miss Bergman arrived yesterday in New York with her daughter, Jennie Lindstrom, who visited her in Sweden this summer and will return to school in California. Miss Bergman will spend three weeks in the United States to make a taped TV show in color.

RETURNS OCT. 7

The actress is scheduled to return to Europe by Oct. 7, the date an Italian court of appeals set for Rossellini to turn over their three children to her. Rossellini had the children for the summer but refused to give them up.

The Italian court will make a ruling on the permanent custody of the children Oct. 14.

Midwest Demo Parley Ends In 2-Way Split

KANSAS CITY, Mo. (UPI)—The 14-state Midwest Democratic Conference has split into two factions, dissolving the harmony sought at a weekend meeting here.

Each group elected officers and accused the other of holding a rump meeting yesterday.

Both factions said party issues and potential presidential candidates were not affected by the split.

Heading the rival groups are James More of Harlan, Iowa, and Frank Theis of Arkansas City, Kan.

More, as conference chairman, opened the business meeting by ruling that a constitution adopted six months ago at Milwaukee was illegal. He said there wasn't a quorum at Milwaukee and no prior notice was given of the proposed constitutional change.

The new constitution says only current state party chairmen, vice chairmen and national committee members can

vote and hold office in the Midwest Conference.

More, former Iowa state chairman, no longer qualified for the conference chairmanship under the new constitution.

When he announced his ruling, party officers from 11 states walked out and held a separate meeting.

Both sides said it would be up to the National Democratic Committee to decide which represents the conference.

Sign Gone, But Novato Lawyer Still In Business

Robert D. Carrow, Novato attorney with offices at 1211 Grant avenue, is still very much in business although his sign is missing.

The attorney reported to the sheriff Friday that someone had stolen his redwood sign, a yard long and a foot high, from its place above his office door.

'I COULD BE HERE'

Bomb Suspects Pray In Jail With Graham

LITTLE ROCK, Ark. (UPI)—Four men accused in the Labor Day bombings here knelt and prayed in city jail cells with their tall visitor.

"Young men, I could very well be here instead of you except for the grace of Jesus Christ," said evangelist Billy Graham. "Maybe this happened to bring you to Jesus."

"They were remorseful and two accepted Jesus on the spot," said James T. Karam, clothier and Baptist church leader who accompanied Graham on the visit yesterday.

It was Graham's own idea to visit the men, Karam said. Graham was in Little Rock for a religious rally.

The accused men are J. D. Sims, 35, and Jesse Raymond Perry, 24, both truck drivers; Samuel Beavers, 42, a carpenter, and John T. Coggins, 39, a car salesman. Also charged in the three bombings is E. A. Lauderdale Sr., 48-year-old lumber dealer and a leader of the Segregationist Capital Citizens Council. He is free on bond.

Earlier, Graham wound up a two-day crusade telling a racially-mixed crowd and Gov. Orval Faubus that Little Rock

would have no trouble if its people followed Christ.

"If people lived like Christ and believed in him, there would be no problem in Little Rock," Graham said. It was the only direct reference he made to race or integration during the sermon.

Hospital Staffers Aid Fire Victims

Mrs. Margaret Irons and her four children who were burned out in the Larkspur apartment house fire last week, received a purse with \$50 from fellow staffers at San Rafael General Hospital yesterday.

Mrs. Irons is a registered nurse at San Rafael General. The presentation was made by Mrs. Patricia Leonard, supervisor of nurses.

Advice To Farmers

Marin farmers have been advised by the district director of internal revenue that annual claims for refund of federal excise tax paid on gasoline must be filed by Sept. 30, covering the period July 1, 1958, and June 30, 1959.

Announce Way To Help Drain All 8 Sinus Cavities Without Discomfort

New decongestant tablet for sinus congestion sufferers acts both to drain clogged sinus cavities and relieve distressing head pain

New York, N. Y. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished with extraordinary speed and without discomfort of any kind. This new tablet does its remarkable work internally, through the blood stream. It deposits into every drop of blood plasma a new medication which is carried to the sinus area, where it shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion.

The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, Dristan® Decongestant Tablets. Dristan Tablets cost only 98¢ for a bottle of 24 tablets. Buy and use Dristan Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.

Two Hostess Tea Club At Luncheon

Mrs. Henry S. Foster and Mrs. George Chambers of Mill Valley were co-hostesses at a luncheon recently for the San Francisco Tea Club in the restaurant of Mill Valley's El Paseo Arts Center.

The 36 members and guests coming from all over the Bay Area made a tour of the shops and studios in El Paseo before luncheon, and afterward Nevin Kemphorn, executive director of the Mill Valley Artist Associates Gallery there gave a talk on "Evaluation of Art."

The San Francisco Tea Club is a women's social organization that has existed for over 50 years.

Among those attending were Mrs. Horace Coffin of San Anselmo, a long-time member, and her daughter, Mrs. Shirley Walker of Sleepy Hollow. Mrs. Coffin and Mrs. Alice Parks assisted with hostess duties.

Others present from Marin County were Mesdames George Mayeda, Robert Guestavino and Mabel Moxon.

House guests for the weekend at Mrs. Fosters' home in Mill Valley are Mr. and Mrs. Dallas Bush of Nevada City. Mrs. Bush is the former Sally Bryant, who was a well known realtor in Marin for many years.

Leola Sewing Club

Leola Sewing Club is meeting Wednesday at the Masonic Temple in San Rafael. Each member to bring her lunch. Dessert and coffee will be served at 12:30 p.m.

LITTLE CHARLES WALT (under the hat) is taking a siesta while his mother, Mrs. Robert Walt, right, and Mrs. Howard Sievers, left, decorate

for the fall dance of the Sausalito Woman's Club, "A Mexican Fiesta," to be staged on Sept. 19. A cocktail hour will precede the 8:30 p.m. dinner.

DRESSED IN the proper attire for the forthcoming dance are Sausalito Club members, left to right, Mesdames Arnold Seymour and John

Ward. An authentic Mexican menu will be served amid the colorful decor planned by Sausalito artist, Nan Street Fowler.

Christian Education Frontiers Topic At Presbyterian Meet

"Frontier's of Christian Education" was the subject of Dr. Roy Warren Fairchild, professor of Christian Education at the San Francisco Theological Seminary, when he spoke to the Women's Society of the San Rafael Presbyterian church at the October meeting.

Rev. Herrick Lane gave the invocation and Mrs. Rowena Dunn, the devotions. In the latter Mrs. Dunn asked for audience participation.

Mrs. Clifford Bartlett, accompanied at the piano by Mrs. John Bagshaw, sang "Love Sends a Little Gift of Roses," and "Smiling Through."

Mrs. Samuel D. Archibald, the president, introduced the speaker who has been making an extensive study on the life of the Christian family. In his new assignment as a member of the faculty at the Seminary Dr. Fairchild told of a renewed emphasis on this subject in proclaiming the Gospel with the church as minister to the world. The greatest frontier is to learn to look at the world as it is today, the speaker said.

"Parents are realizing that permissiveness has been carried too far—that the emotional distance between a parent and child has shrunk, a distinction between parent and child is necessary. Parents need and want the help of the church. An ideal family is one in which a happy and loving relationship exists, where Christian faith is strong, where problems may be worked out together and where traditional special events are remembered. It is the latter traditional

For the 12 o'clock luncheon the hostess group was headed by Mrs. William B. Ledbetter and included Mesdames Jo Young, E. G. Thompson, Earl Barnet, J. S. Goodale, George

Arnold, L. Severt Gaustad, J. J. Koeppl, Philip Nathan, Arthur Rosenhahn, J. W. Rowe, Seely Vander Veer, Duane Wallace and Miss Meta Jepson.

Among the new members introduced were Mrs. Harold G. Bruster, Mrs. Isabelle Stewart, a newcomer from Oakland, and Miss Naida Lechner.

Regarding the merits and disadvantages of television Dr. Fairchild spoke. He emphasized the need of a Christian understanding of sex. The integrity of family religion must be returned today he admonished.

The regular business meeting followed with Mrs. Archibald presiding.

BAZAAR OCT. 8

The women of the church have not been idle during the summer months. They have been sewing and making dried arrangements for the bazaar on Oct. 8, Mrs. Bagshaw reported in the absence of Mrs. Leroy Wilkie, general chairman.

The Vine Trumbull group will offer a new feature at the bazaar when they present decorated gift boxes for the holiday season.

The Vine Trumbull group will again have the cake booth at the Grape Festival on Oct. 3.

Mrs. Henrietta Tapp told of the Motion Picture Council; Mrs. G. L. Rice announced the arrival of the new study books. Mrs. Ida Hicks urged attendants to bring used clothing and discarded hosiery to the church for early shipping overseas.

For the 12 o'clock luncheon the hostess group was headed by Mrs. William B. Ledbetter and included Mesdames Jo Young, E. G. Thompson, Earl Barnet, J. S. Goodale, George

tions, assisted by Randolph Eppin; Rolf Beere, Victor Banks, and John Russell, awards; James Zeigler, reservations; and David Ring, publicity.

The theme for the evening will be "Seventh Heaven." The celestial entrance to the ballroom will be between white columns surrounded by filmy net clouds and silver stars. Stars will also be seen as a part of the centerpieces on the dining tables, and hanging in the ballroom for the dancing.

The evening will begin with a cocktail hour at 8 p.m., hosted by the members and associates of the Tom Thumb Chapter, and will be followed by dinner and dancing till 2 a.m.

St. Hilary's Club To Meet Wednesday

Because catechism classes at St. Hilary's Church in Tiburon begin on its regular meeting day, the first meeting of the program year for the Women's Club will be held on Wednesday. The group will meet at 1:30 p.m. at the Belvedere Lagoon home of Mrs. John Ericson.

The program for the coming year will be discussed according to Mrs. C. J. McDermott, president. Members from Belvedere will hostess.

Mrs. Roy Vallarino of San Anselmo is taking reservations.

PARTIES WILL PRECEDE OPENING OF BOLSHOI FILM AT THE LARK

Balletomanes of Marin County and the Bay Area have made a social event of the opening of the "Bolshoi Ballet" film at the Lark Theatre Wednesday evening.

Among those attending the opening Wednesday evening is Mrs. Leona Norman, a member of the board of directors of the Bay Area Ballet who has her own school of Ballet in San Rafael. Mrs. Norman will have as dinner guests Mr. and Mrs. Richard Parks of San Francisco, Verne Norden of San Leandro, Charles Orgibet and Mr. and Mrs. Hugo Rinaldi. With the exception of the Rinaldi's, Mrs. Norman's guests are all directors of the Bay Area Ballet. Rinaldi is conductor of the Youth Orchestra of Marin and will be conductor of the Modesto Symphony Orchestra for next season. He is also head of music for San Rafael schools.

Mrs. Frank Howard Allen of Ross will also entertain prior to attending Wednesday's opening of the full-length color film featuring the Bolshoi Ballet's performance of "Giselle," and divertissements including "Swan Lake," "Faust," "The Dying Swan" and many other famous ballets in the Russian ballet repertoire.

Other Marin residents prominent in music circles throughout the bay area who will be included in the audience Wednesday evening are Judge and Mrs. Carlos R. Freitas (he is president of the Marin Music Chest); Mr. and Mrs. Ralston Hodgson (she is head of the Gladys Kenney Hodgson School of the Dance and a former ballerina with the Chicago Opera Company); Mr. and Mrs. Robert L. Schultz (she is president of the Symphony Guild of Marin).

Lunch Given By Kent P-TA

Guests were seated at gay umbrella tables in the garden of the James Comptons' home in Kentfield for a luncheon on Tuesday honoring new faculty members of the Adeline E. Kent School.

Mrs. Compton, the school's P-TA president, and her executive board entertained 40 guests including Anthony Bacich, principal, and all members of the teaching staff.

Guests of honor were Clinton Ansley, recently appointed assistant to the principal, Miss Catherine Palmer, the school's first librarian, and new teachers including the Mesdames Sara Burkett, Ruth Hull and Elaine Brighton, Miss Nancy Butcher, Miss Judith Burford, William Fennane, Robert McQuain and Kenneth Stanford.

The luncheon gave the faculty and the P-TA board an opportunity to become better acquainted as well as a welcome to the newcomers.

Cleverly contrived identification tags were in the form of miniature slates. Table centerpieces were composed of polished apples, colorful school lunch boxes and thermos bottles. Mrs. Austin W. Lea, hospitality chairman, was in charge of decorations.

"Coffee and Sympathy" were offered to parents bringing their children to the school on opening day, considered one of the most trying days of the year. Parents were greeted by Mrs. Compton and the members of her board. Coffee was served by mothers of upper division students.

Club's Fall Luncheon Fete Past President And Founder

Fifteen past presidents and the club's only living founder, Mrs. Harvey Klyce, were honored at Thursday's traditional luncheon which opened the fall season for the Outdoor Art Club in Mill Valley.

Highlight of the luncheon was Mrs. Klyce's reading of a poem she wrote about Mt. Tamalpais, after she was specially welcomed by president Mrs. Rodney B. Hartman and presented with a bouquet of yellow chrysanthemums.

Decor for the clubhouse and tables was carried out in the club's colors of green and white by Mrs. Samuel Seifert, assisted by Mesdames George Lindman, T. F. Collison, Robert Laughead and L. J. Schell.

Mrs. John Finn was in charge of the luncheon. Assisting her were Mesdames Clay Lilleston, Leslie Lowenthal and Edmund Mahon.

Table settings were done by Mrs. Alan Ewen, Mrs. Chester Fisher and Miss Lois Walker, and serving were Mesdames Robert Eddy, chairman, and Mesdames Jerome London, Leslie Armstrong, James Verby, David Allison, Kenneth Beebe, Martin Gordon, William Pemberton, R. WILSEY HOME

Asn. Wine Tasting Party To Be Staged Sunday

The Jack Wilseys' Fairhills home at 65 Treehaven drive will be the setting of the wine-tasting party which the Marin Assn. for Retarded Children will give on Sunday, Sept. 27, from 4 to 7 p.m., signaling completion of its fifth year.

Weather permitting, the party will center around the swimming pool and adjoining gardens.

Mrs. Mozart Kaufman, Kent Woodlands, and Dante Bagnani, San Rafael, are co-chairmen of this, MARC's only fund-raising event of the year. As-

sisting them are Mesdames Marvin Good, Novato, awards; Richard St. John, Terra Linda, printing; John McKeever, San Rafael, invitations, and Philip Lemler, San Rafael, publicity.

MARC, a United Fund agency, operates a nursery school and a summer recreation program, assists the public school classes and acts as a Marin clearing house of information on retardation.

The association was organized five years ago to help retarded children, for whom no publicly supported facilities

then existed. It was largely instrumental in getting a Point 2 class for severely retarded children established in Mill Valley.

Among its chief objectives now are another such class in the northern part of the county and a sheltered workshop where young adults, through with school, can be at least partially self-supporting and can know the satisfaction of performing a useful service.

Tamakwa's Meet Turns Into Party

When members of Tamakwa Sewing Club gathered at the home of Mr. and Mrs. Ernest Laxton in Novato recently, most of them were surprised to learn that it was the 82nd birthday of Mr. Laxton. A no-hostess luncheon had been planned, but it was somewhat more elaborate than usual, including a birthday cake made by Mrs. Laxton. After singing the usual "Happy Birthday" greeting, seated were Mr. Laxton, Warren Clark and Chester Hunter, as well as the club members, Mesdames William Meagor, the president, Eli Harrington, May Glaser, E. R. Taylor, Chester Hunter and George Catey of San Anselmo, Mesdames Paul Sproete, Ernest Laxton, Vervin Sanford and M. J. Carlson, Novato; Mesdames Alec Walker, Grant Wills, Warren Clark, Elinor Abraham and Val Nichelini, San Rafael.

Birthdays Marked At Meeting Of Dorcas Society

The Dorcas Society of the Congregational Community Church of Fairfax had its first meeting last week after summer vacation. They celebrated the birthdays of members whose birthdays occurred in July, August or September. A special table was set with birthday cards showing their places. Those honored were the Mesdames P. P. Hightower, Jack Sypher, Robert Roy, D. H. Myers, Jack Thorusen and August Rasmussen. The Mesdames C. J. Bergstrom, A. F. Adams and W. J. Dennis were the hostesses for the day.

Important matters were discussed and voted on during the business meeting conducted by the new president, Mrs. Thomas Teare. A bazaar will be held Nov. 10.

Three new members were admitted to the Society. They are the Mesdames R. G. Batchelor, and Frank E. Jerow, both of San Anselmo and Mrs. Jack Biersdorf, who recently became the wife of the minister of the church. She was invited in by the Society as an honorary member.

Later, the regular business session took place. Because of the absence of the secretary, Mrs. William Amos, who is vacationing, Mrs. Grant Wills acted as secretary pro tem.

The Club has embarked on a project of making hospital gowns for the men at the Odd Fellows Home at Saratoga. Members were asked, also, to donate books, in good condition. These will be sent to the home at Christmas time, to augment the library there.

Mrs. Catey requested donations of greeting cards to be used in a project to further the work of the Cystic Fibrosis Foundation. Mrs. Catey has, herself, been on the sick list for a long time and the members were happy to have her present.

An invitation was accepted to hold the next meeting at the home of Mrs. Abraham in San Rafael on Oct. 1.

Lieberman To Speak

Morton Lieberman, civil engineer and Belvedere resident, will present slides and commentary on India, Burma, Thailand and Cambodia at the next

meeting of St. Stephen's Guild on Wednesday, at 10 a.m.

The Guild will meet at the home of Mrs. Robert E. Crockett, 49 Belvedere Avenue, Belvedere. Guests are welcome.

St. Patrick's Family Dinner Set Sunday

The Rev. James J. Healy, pastor of St. Patrick's Church in Larkspur, extends an invitation to all to attend a Parish Family Dinner on Sunday, Sept. 20, 1959, at the Corte Madera Recreation Center, from 3:30 p.m. to 7 p.m.

Adolph E. Lubamersky, president of the Holy Name Society, is chairman of the affair, with all the parish organizations taking part. In addition to the dinner, there will be activities for adults and children to make it an entertaining afternoon.

Mr. and Mrs. William Bailey, co-chairmen, are preparing a ham dinner.

Mrs. Ralph Tobener, president of St. Patrick's Ladies' Guild, is chairman of the serving committee. Assisting her will be Mesdames Lee Cecotti, Mario Pieri, William Costello, Francis Casey, Clara Kramer and Joseph Kelly.

Mrs. Robert E. Schmale is gathering unusual and distinctive dolls to stock the Doll Booth and Salvatore Lococo will manage a Salami Booth. Martin O'Brien and Arthur Knudsen, of the Christian Family Movement will direct activities at the Dairy Booth.

Mrs. James Deasy is working with the ladies of the Y.L.I. to set up a "toothsome" Cake Booth.

Tickets are available through members of the St. Vincent de Paul's Society, under the co-chairmanship of Mr. Leo Grieser Cahill of Novato.

THE Dean S. Wedgewoods of Larkspur were photographed aboard the S. S. Lurline just prior to departure for the Hawaiian Islands.

A Tree Of His Own!

There is nothing unusual about this. He's a home owner . . . a man who purchased a home that suits him and his family so beautifully that the very tone of their voices reflects the pleasure the home gives them.

His wife enjoys keeping up a house that is both spacious and modern, and the children now have their own rooms, shady grounds for recreation and a place to which they are proud to invite their friends.

When he plants a tree it's his tree
When he repairs a fence it's his fence
When he paints a house it's his home
. . . and there's no tree, fence or house quite like it anywhere in the world.

The pleasure of gardening is something new to him, but it's a pleasure just the same . . . and only a small part of the happiness that home ownership has brought him. Owning a home has offered many pleasant surprises, the first one being that he could afford to buy exactly what he wanted.

And naturally our home owner found what he wanted through the convenient Multiple Listing Service offered by the REALTORS of Marin County.

WHICH ONE IS BROTHER?

All of the parading Mount Vernon Guards look alike to little Cindy Lou Herfurth, 18-months-old Alexandria, Va., girl, who broke into the formation looking for her brother, a fife

player with the unit. The parade was in a Washington, D.C., celebration of the 154th anniversary of the completion of nearby Woodlawn Plantation. (UPI Telephoto)

Big Security Forces To Guard Khrushchev

WASHINGTON (AP) — The United States has fashioned the strongest security shield ever to protect Soviet Premier Nikita Khrushchev from potential assassins, demonstrators, hecklers and crackpots.

Up to 15,000 policemen, plainclothesmen, National Guardsmen and government security agents will join forces in a massive, carefully coordinated plan to watch over the Soviet dictator every foot of the way.

About 2,500 will be deployed and waiting along the route into Washington tomorrow when Khrushchev steps off a giant TU114 turboprop jet liner at nearby Andrews Air Force Base to begin his 13-day coast to coast tour.

About a dozen Soviet secret police, led by Security Chief Nicolai Zakharov, are to be part of this unprecedented security network. A selected number will be allowed to pack guns.

Five of these Soviet security agents already have inspected the route Khrushchev will follow in his swing through six cities and are reported satisfied with arrangements for protecting their chief.

The security arrangements, checked and double checked in painstaking detail, include protection not only for Khrushchev and his family but also for the 108 other Soviets, including newsmen, who are to accompany him.

Hub School Board To Meet Tonight

A progress report on the effort to put public backing behind a tax increase, together with an educational questionnaire, will be made at a meeting of the San Anselmo School District board at 8 tonight.

Reports will be made on this year's summer school, on work of the salary administration study committee and the seventh-eighth grade teacher exchange program at Sleepy Hollow. There will also be continued discussion of independent operation for 1960-61.

Barriers To Go Up On Some Freeways

SACRAMENTO (AP) — Before long, you're going to see some fancy chain link fences spring up along the dividing strips of some of California's heavily traveled freeways.

They may or may not improve the landscape, but their main purpose will be to protect you from your own mistakes or those of other drivers.

State highway safety engineers have been doing a lot of research on the problem of how to keep you from being killed or critically hurt if your car runs into the median strip of a freeway.

No barrier at all or one which you can get across means the likelihood of a head-on crash with opposing traffic on the other side of the freeway. Such smashups frequently are fatal.

Too staunch a barrier, however—such as steel spring rails now in wide use—is inclined to bounce a car into a collision with other vehicles in its own lanes.

The Division of Highways smashed radio-controlled cars

and buses into 15 types of barriers before finding the one it hopes will keep your car from crossing the dividing strip into opposing traffic and at the same time keep it from bouncing back into cars on its own side.

The combination cable-chain link barriers soon to be erected in the Los Angeles and San Francisco areas did the job beautifully in the state crash tests.

The top cable is above the center of gravity of most cars, thus keeping them from overturning. The lower cable is set to allow the colliding wheel to pass over it on initial impact. This serves to trap the car in the dividing area, while the crumpling chain fence gradually slows it to a halt.

The new barriers will be tried first on the Hollywood, Santa Ana, Ventura and San Diego freeways in the Los Angeles area and on the Bayshore and Eastshore freeways in the San Francisco region.

ASSUMES NEW DUTIES

—Col. Robert S. Nourse (USA retired), will take over the newly created post of public relations officer for the San Rafael Military Academy. He also is professor of military science and tactics.

Belvedere Recreation Commission To Meet

The Belvedere Recreation Commission will discuss waterfront properties under its jurisdiction that are to be used by the community at a meeting at 8 p.m. tomorrow in Belvedere Community Hall, according to chairman E. Allan Steinau Jr.

S.F. Youth Gangs Turn Energy To Good Works

SAN FRANCISCO — Juvenile gangs armed with hammers and saws are roaming San Francisco—with the blessings of city officials.

While teen-age gangs in New York City are destroying human life and limb with switchblade knives and bicycle chains, such San Francisco gangs as the War Lords, Sheiks, Aces and "Los Banditos" are devoting their efforts to constructive work.

"But, there is no major problem here now," May said.

San Francisco's gangs even have a inter-club council—a sort of "summit" of the gang world. Through the council, which is closely allied with the Youth for Service project, the various gangs maintain a continuous contact with each other on a friendly basis.

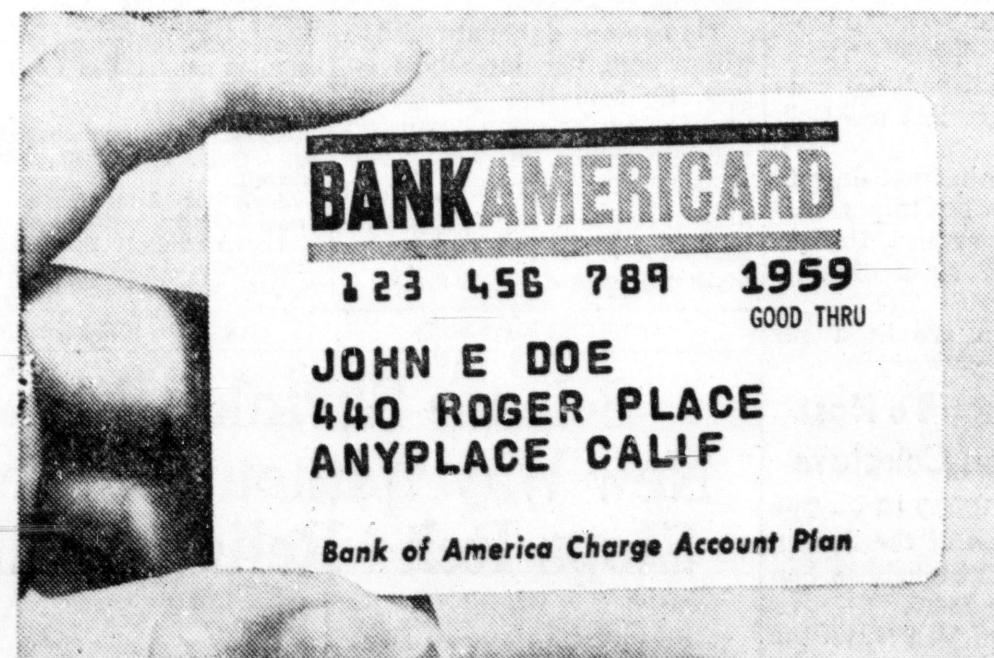

"There hasn't been a serious 'rumble' or other sign of gang violence in San Francisco since the council was set up eight months ago," May said.

Now the council is setting up a grievance committee.

"This is very important," May said. "When the boys have a problem or any friction develops among them, they can bring it to the committee and we hope—avoid violence."

**Is there anything I can't charge
with my Bankamerica?**

Well there are a few things. Busfare. Dog licenses. Yachts. But the list of things you can charge with this new all-purpose credit card is almost limitless. Actually, it's possible to do nearly all your regular shopping with your BANKAMERICARD. And, no matter how often—or how seldom—you use your card, all your purchases are covered by one consolidated monthly statement. Write one check and your bills are paid. Or, if you make a large purchase and need more time to pay, take advantage of the *Flexible Payment Plan* and spread your payments over several months.

Give it a try—discover how convenient BANKAMERICARD shopping can be.
